ORDERING INFORMATION

HOW TO PLACE YOUR ORDER

Orders entered through our online system will be printed exactly as shown. Please ensure all details are correct and as desired before you submit your order.

Should your order require special attention from our team, our Concierge team is available to assist. Additional charges apply for qualifying orders. Please contact RetailerConcierge@crane.com for more details.

PLACING YOUR STANDARD ORDER

Please place standard orders through our online ordering system, Crane's Personalized Design Studio (PDS), or on Crane.com. If you need any assistance with PDS, you can find resources in the Retailer Portal and within PDS itself. You can also contact PDSHelpdesk@crane.com with specific questions.

PRICING YOUR STANDARD ORDER

Refer to the pricing grids that are in this pricing booklet and select the printing method your customer has chosen, e.g., "Thermography". Within that grid, reference the quantity desired and find its associated price.

PLACING YOUR CONCIERGE ORDER

Orders that cannot be placed via our online ordering system may qualify for our Concierge Service. Orders must meet a minimum value of \$1,000. Additional service fees may apply. Please email inquiries to RetailerConcierge@crane.com.

ORDERING SAMPLES

Loose samples of our plain or amended stocks, as well as some limited personalized samples as shown in the albums, are available for store display or customer review. More information about samples can be found on the Retailer Portal.

RETAILER PORTAL

Our Retailer Portal is a destination to provide you with accurate ordering information, status of an order, easy delivery tracking, and other resources that will be helpful in creating personalized orders and promoting our brands.

CANCELLATIONS

Our online ordering system transmits submitted orders directly to output plates and onto our Operations floor. Please ensure all order details are correct before submissions are made. Canceled orders will be subject to fees on services rendered. Please reference the pricing information page for additional details.

SHIPPING

Your order will ship in accordance with the service schedule available on the Retailer Portal. Please visit the Retailer Portal for up-to-date information on our turn times, to view your order status, or to track your order delivery.

Flat shipping rates apply to orders of 2,000 pieces or fewer shipped within the United States. For larger quantities, shipping rates will be determined by weight and destination.

Shipping pricing is located on the Retailer Portal.

DROP SHIP SERVICES

Orders can be shipped to a location other than your store. Additional charges will apply. Please reference Shipping Information on the Retailer Portal.

POSTAGE

Some items shown in our albums may require additional postage. Square Marquis, oversized invitations, premium weight invitations, and invitations with enclosures will require additional postage. Please check with your local Post Office for current postage rates.

EDGE TREATMENTS

Beveled Edges may be added to specified papers for an additional charge. Standard Bevel is available on both premium weight and most regular weight papers. Luxury Bevel, which has a greater angle, is suitable only for premium weight papers in Royalty and Embassy sizes. Beveled edges may have foil gilt edges or painted color applied from our curated selection of colors. Orders containing beveled edges will require 14 days to complete once the final order is received in addition to the printing process turn time.

Gilt Edges may be added to our square cornered papers for an additional charge and are available on either straight or beveled edge stocks. All gilt edges are finished with your choice of metallic foil. Orders containing gilt edges will require 14 days to complete once the final order is received in addition to the printing process turn time.

Bordered papers are available in a curated selection of pre-bordered colors. There is no additional time for orders with this selection.

Painted Edges, available in a curated selection of colors, will require 14 days to complete once the final order is received in addition to the printing process turn time. Please see the Pricing Information page in this pricing booklet for more information on edge treatments.

INK COLORS

A wide selection of ink colors has been specially formulated to coordinate with printed designs and linings. The online system will allow you to select from the available ink colors. Engraving PMS ink colors are available for an additional charge for orders placed through our Concierge program only. Please note that not all colors are available for each printing method and ink colors vary slightly from one printing method to another. Thermography, flat, and letterpress are transparent in nature and will vary when printing on colored paper.

ENVELOPES

Envelopes may be lined with any of the linings shown on the online system. Please note that envelope linings are optional, must be specified with your order, and will incur an additional charge. Traditionally, only the inner envelope is lined. Because the online system allows both envelopes to be lined, please make sure you add the liner to the desired envelope.

TYPESTYLES

The online system will allow you to select from the available typestyles for the chosen item. You can also refer to all of our available Typestyle Selections in the Design Elements Guide on the Retailer Portal. As referenced above, please note that items ordered on the online system will print exactly as shown.

MONOGRAMS

The online system will allow you to select from the available monograms for the chosen item. When printed in the same color and process, and on the same surface, there is no additional cost to incorporate a standard one-color monogram into your layout. Monograms printed in two colors require an additional press run and will incur additional charges. Please reference the pricing information page for more details.

MOTIFS AND FRAMES

You may choose a motif or frame at no additional charge, provided it is the same ink color, printing method and on the same side as your text. The online system will allow you to select from the available motifs or frames for the chosen item. Motifs and frames printed in two colors require an additional press run and will incur additional charges. Please reference the pricing information page for more details.

SUPPLIED ARTWORK

Artwork can be supplied to us with your PDS or Concierge orders. Artwork which is supplied through PDS must be print ready.

To avoid delays, please visit the Resources section of the Retailer Portal for the most up-to-date guidelines.

PRICING INFORMATION

GENERAL

Item pricing on the following pages is based on one-color printing unless otherwise noted.

When stationery items (e.g. correspondence cards) are printed as invitations or announcements with multiple lines of text, please add:

- Flat Print or Thermography \$50 per item
- Engraving, Embossing, Letterpress or Foil Stamping \$128 per item (includes die)

ENGRAVING PLATES/DIES

Copper plates are included in the cost of all engraved and blind embossed items shown in this album.

The included die charges are listed below:

- Invitation/Announcement \$150
- Save the Date/Accessory \$150
- Standard Accessory \$150
- Small Accessory \$72 (2 1/2" x 3 1/2" or smaller)
- Address \$72
- Name/Monogram \$72

Your copper dies will be shipped with your order. These dies may be returned for printing future orders. If you do furnish a die, please include a clear description of the die when placing your order. We will verify your die description against the supplied plate to ensure we use and return the correct dies.

PLEASE NOTE: When providing your die, please deduct the die charge as listed above.

PLEASE NOTE: Letterpress and Foil Stamped plates are also included in the costs of the printed items within this album. As these dies are not suited for reprinting, they are not returned.

MULTIPLE COLOR / PASS / SIDE PRINTING

Pricing charges for the second color, second pass or second side are:

- Flat or Thermography \$150
- Engraving, Embossing, Letterpress or Foil Stamping \$375

These charges apply to each item ordered.

Cards and envelopes are two separate items; therefore, each would incur a separate charge.

When ordering some items engraved, even in a single color, additional pass charges may apply due to print area dimensions.

Two-color Close Registration

- Engraving, Embossing, Letterpress, Flat Printing, or Thermography \$90 per item

Two-color Close Registration is necessary when two or more ink colors come within 1/16" or less of each other or the colors must line up perfectly on the same line of text. Two-color Close Registration is complimentary for design elements that are currently shown as two-color in our albums.

The following will incur additional charges:

- Customer-supplied artwork with Close Registration.
- Altering a one-color design element into two or more colors with Close Registration.
- One line of text in two or more colors.

PLEASE NOTE: The Two-color Close Registration fee is in addition to the second pass charge. Artwork alteration time may apply. Certain restrictions apply. Two-color Close Registration is not available in thermography when using a metallic ink. Gilt-edge items cannot be printed in Two-color Close Registration.

EDGE TREATMENTS

A variety of edge treatments are available to customize your invitations.

Please add for each edge treatment desired.

- Foil Edge \$90 per 25 qty
- Painted Edge \$30 per 25 qty

PLEASE NOTE: Items that show pre-printed designs may not be suitable for some edge treatments.

Supplied Artwork Guidelines

Artwork can be supplied to us with your PDS or Concierge orders.

Artwork which is supplied through PDS must be print ready.

To avoid delays, please reference the guidelines below or visit the resources section of the retailer portal for the most up-to-date guidelines.

Print-ready artwork guidelines:

5. Photos and painterly artwork resolution should be 300 pixels per inch.
6. If the artwork makes up all content for the item, the PDF document(s) should be the exact size of the finished stock unless artwork will bleed in which case you should add 1/4" to both the total width and total height.
7. If the artwork file is just a component piece (monogram, motif, etc.) of the printed item, the document should be cropped to fit the artwork.
8. Pantone colors should use uncoated swatches and be named correctly. Example: PANTONE 376U
